

Order of the President of the Republic of Azerbaijan
on Approval of the State Program on Establishment and
Development of Space Industry in the Republic of Azerbaijan

In conformity with the Order number 27 dated 4 November, 2008 of the President of the Republic of Azerbaijan on “Establishment of Space Industry in the Republic of Azerbaijan and Launching Telecommunication Satellite into Orbit” I **sign** the following:

1. The State Program on Establishment and Development of Space Industry in the Republic of Azerbaijan is deemed as approved (attached).
2. The Ministry of Communications and Information Technologies is instructed to coordinate implementation of the measures indicated in the State Program approved in the first paragraph of the current Order.
3. Implementation of the measures indicated in the State Program is defined to be financed through the State budget as well as other sources which are not forbidden under the legislation.
4. The Cabinet of Ministers of the Republic of Azerbaijan is to solve all the issues stemming out from the present Order.

Ilham Aliyev

President of the Republic of Azerbaijan

Baku, 17 August 2009

№ 443
